CREATURE FEATURE (HARDBACK)

[DOWNLOAD](#)

iUniverse, United States, 2011. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In the tradition of old drive-in movies and scary monster flicks, Creature Feature presents two nail-biting, spine-tingling tales about a mythical sea monster and a mysterious flying creature that terrorize the residents of two separate communities. When Professor Gabriel Ross and his wife, Margaret, leave for a romantic holiday in Kelowna, British Columbia, they have no idea that they are about to come face-to-face with a legendary lake monster. As Ogopogo continues its terrifying assault on the resort community, the body count climbs. After Gabe joins forces with cryptozoologist Roger Knapp, the Rosses vacation unexpectedly turns into a horrifying hunting expedition-and they are the prey. It is 1957 when the quiet town of Greenbridge, Ohio, suddenly finds itself terrorized by a mysterious flying creature with glowing red eyes. Fighting waves of panic amongst the town's residents, Deputy Sheriff Mike Sampson and two air force officers attempt to find the creature. Only time will tell if Sampson's search will be successful in enough time to save his son from danger. As two communities take matters into their own hands, no one anticipates the power of the creatures as they wreak havoc on anyone who stands in their way.
