Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Domestic Years, Tears and Fears: Part One, Angela Harden, This book is written from the heart and will give hope to the many victims of domestic violence and mental abuse. The author is someone who has actually gone through it herself, and understands the range of emotions involved and the process that has to happen before someone gets the strength to break the pattern. With gentle encouragement and wise words, hopefully this book will provide the final confirmation that it is all right to leave and start to build a new life and that victims of this dreadful crime are not to blame and they do deserve happiness.
