The Book of Five Rings

By Miyamoto Musashi

Tantor Media, Inc, United States, 2010. CD-Audio. Book Condition: New. Library ed. 168 x 165 mm. Language: English . Brand New. Setting down his thoughts on swordplay, on winning, and on spirituality, legendary swordsman Miyamoto Musashi intended this modest work as a guide for his immediate disciples and future generations of samurai. He had little idea he was penning a masterpiece that would be eagerly devoured by people in all walks of life centuries after his death. Along with *The Art of War* by Sun Tzu, *The Book of Five Rings* has long been regarded as an invaluable treatise on the strategy of winning. Musashi's timeless advice on defeating an adversary, throwing an opponent off-guard, creating confusion, and other techniques for overpowering an assailant was addressed to the readers of earlier times on the battlefield and now serves the modern reader in the battle of life. In this new rendering by the translator of Hagakure and *The Unfettered Mind*, William Scott Wilson adheres rigorously to the seventeenth-century Japanese text and clarifies points of ambiguity in earlier translations. In addition, he offers an extensive introduction and a translation of Musashi's rarely published *The Way of Walking Alone*.

Reviews

Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).

-- **Prof. Edgar Kshlerin**

It is easy in study safer to comprehend. It can be writter in basic phrases and never confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.
