Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Managing our bosses? Isn't that merely manipulation? Corporate cozying up? Out-and-out apple polishing? In fact, we manage our bosses for very good reasons: to get resources to do the best job, not only for ourselves, but for our bosses and our companies as well. We actively pursue a healthy and productive working relationship based on mutual respect and understanding our own and our bosses' strengths, weaknesses, goals, work styles, and needs. That dreaded moment has come: You're delivering critical feedback to an employee. Despite your best efforts, the conversation is a disaster: tempers flare, the employee gets defensive, and your relationship grows strained. Critiquing weak performance is a job nobody likes. But by taking a more open approach, you can be a better boss and get a lot more from your team. To improve your performance and interpersonal skills, this collection includes path-breaking tools through articles, i.e. Are You A Good Boss Or a Great One?, Crucibles Skills of Leadership, Managing Your Boss, Be a Great Intimidators Leader, Interpersonal Barriers to Decision Making, Listening to People, A Better Way to Deliver Bad News, How to Win the Blame Game, Leading in Times of Trauma and Fear of Feedback.
