Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

Excerpt: . with a plan, and to communicate it to others in precepts that will enable them to produce similar products. (Hence it is probable that the word genius is derived from genius, that peculiar guiding and guardian spirit given to a man at his birth, from whose suggestion these original Ideas proceed.) (4) Nature by the medium of genius does not prescribe rules to Science, but to Art; and to it only in so far as it is to be beautiful Art. 47. Elucidation and confirmation of the above explanation of Genius Every one is agreed that genius is entirely opposed to the spirit of imitation. Now since learning is nothing but imitation, it follows that the greatest ability and teachableness (capacity) regarded qua teachableness, cannot avail for genius. Even if a man thinks or invents for himself, and does not merely take in what others have taught, even if he discovers many things in art and science, this is not the right ground for calling such a (perhaps great) head, a genius (as opposed to him who because he can only learn and imitate is called a shallow-pate). For even these things could be learned, they lie in the natural path of him who investigates and reflects according to rules; and they do not differ specifically from what can be acquired by industry through imitation. Thus we can readily learn all that Newton has set forth in his immortal work on the Principles...
