Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.

(Dr. Benjamin Lakin)

THE DEATH OF CHARACTER: PERSPECTIVES ON THEATER AFTER MODERNISM

Indiana University Press. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 9.0in. x 6.1in. x 0.6in. Extremely well written, and exceedingly well informed, this is a work that opens a variety of important questions in sophisticated and theoretically nuanced ways. It is hard to imagine a better tour guide than Fuchs for a trip through the last thirty years of, as she puts it, what we used to call the avant-garde. *Essays in Theatre*. . . an insightful set of theoretical takes on how to think about theatre before and theatre after modernism. *Theatre Journal* In short, for those who never experienced a postmodern swoon, Elinor Fuchs is an excellent informant. *Performing Arts Journal*. . . a thoughtful, highly readable contribution to the evolving literature on theatre and postmodernism. *Modern Drama* A work of bold theoretical ambition and exceptional critical intelligence. . . . Fuchs combines mastery of contemporary cultural theory with a long and full participation in American theater culture: the result is a long-needed, long-awaited elaboration of a new theatrical paradigm. Una Chaudhuri, *New York University* What makes this book exceptional is Fuchs acute rehearsal of the stranger unnerving events of the last generation that have in the cross-reflections of theory determined our thinking about theater. She seems to have seen and absorbed them all. Herbert Blau, *Center for Twentieth Century Studies, University of Wisconsin, Milwaukee* Surveying the extraordinary scene of the postmodern American theater, Fuchs boldly frames key issues of subjectivity and performance with the keenest of critical eyes for the compelling image and the telling gesture. Joseph Roach, *Tulane University*. . . Fuchs makes an exceptionally lucid and eloquent case for the value and contradictions in postmodern theater. Alice Rayner, *Stanford University* Arguably the most accessible yet learned road map to what remains for many impenetrable territory an obligatory addition to all academic libraries serving...
