By CustomGuide Inc.

O'Reilly Media, Inc, USA, United States, 2004. Mixed media product. Book Condition: New. 251 x 203 mm. Language: English . Brand New Book. PowerPoint is the world's most widely used presentation program, a favorite of educators, trainers, and, of course, those in business everywhere. Yet, every time Microsoft releases a new version of the program, they introduce another set of features---most of which you'll never understand or use. Even if you have experience with PowerPoint, you'll struggle to keep up with the improvements. If you're a beginner, you probably don't know where to start. Now, with PowerPoint 2003 Personal Trainer, beginners and experts alike can become black belts with this presentation program, quickly and easily. This fully illustrated book takes a modular approach to learning, allowing you to start with the fundamentals and work your way to advance topics through dozens of task-oriented lessons--at your own pace. The companion CD tutorial guides you through each lesson interactively. PowerPoint 2003 Personal Trainer includes sections on editing, formatting, drawing, working with word art, tables, organization charts, multimedia, other programs, the Internet, and how to optimize presentation delivery. Every chapter includes detailed diagrams and a review at...
