Having to deal with her peers, once they had learned that Candy was adopted. Poems that Candy has written over time.photos of both sides if the family. What a magnificent feeling, meeting your birth family for the very first time is. It is a feeling that you can not possibly express.but not all went smoothly at first! In sharing my personal journey, I hope that I may be able to answer some questions that many may have with their own adoption. Also, I want to shine some light, but most importantly to show that there is happiness and nothing is impossible - believe in yourself. Not only can you read a real life journey about an adoption that was meant to be, you can go beyond and meet the faces, on DVD, with interviews on both sides. There is family that I was raised with and my birth family. They too go into depth about their emotions and relate how I was in my younger years, and how proud they are now about what their daughter was able to achieve in life.
