HarperCollins Publishers Inc, United States, 2003. Hardback. Book Condition: New. 246 x 163 mm. Language: English . Brand New Book. What do George W. Bush, the Ivory Tower, Steven Spielberg, and Terri Gross have in common? Does a political scandal make for good news copy? Does network programming allow us to unwind from a day's work? Does the art at the local museum make for pleasant cocktail conversation? An unflinching and wry look at the dumbing down of the American imagination. In this groundbreaking and incisive exploration, acclaimed social critic Curtis White describes an all-encompassing and little-noticed force taking over our culture and our lives. White calls this force the Middle Mind -- the current failure of the American imagination in the media, politics, education, art, technology, and religion. The Middle Mind is pragmatic, plainspoken, populist, contemptuous of the right's narrowness, and incredulous before the left's convolutions. It wants to protect the Arctic National Wildlife Refuge, and has bought an SUV with the intent of visiting it. It even understands in some indistinct way how that very SUV spells the Arctic's doom. The Middle Mind is not about left or right, highbrow or lowbrow, academia or pop culture; in fact, it pervades society without discrimination. The danger is not in a specific point of view, but rather in how the Middle Mind thrives in the common ground of unquestioned mediocrity. All we seem to ask about the culture we experience is whether it's entertaining. White argues that we have forgotten how to read, to watch, to think for ourselves. Because it is neutral, widespread, and easily digestible, the Middle Mind has lulled the American imagination to sleep. As we sit comfortably amused and distracted, just outside the door there is an immediate crisis of a nation blindly following the...
